

Packing List

March 17-25, 2018

Dear LifeFocus students,

We are SO looking forward to your visit here to Topeka in just a few weeks. We have a Scripture-packed week in store for you! As you pack your bags, pray for God's grace to be ready to learn and grow together. Be sure to bring the items you will need to rest well, to learn well, to hike well, and to worship well. Pack light. We have an intentionally spiritual purpose for our week together. Here are some things to be sure you consider in your packing.

- * Sleeping bag (with pad?), pillow
- * Soap, towel, shampoo
- * Dirty clothes bag
- * Modest pajamas
- * Warm slippers
- * Nice clothes for two Lord's Days
- * Mud clothes (+ shoes) for hiking
- * Warm coat + hat + gloves
- * Bible (you'll be urged to mark it)
- * Scribble paper, pens, highlighters
- * RPCNA Constitution
- * Blue psalter AND mini-psalter
- * Digital camera?
- * Laptop (WiFi available)?
- * Your favorite coffee to share?

We won't be doing much traveling away from the church building. Guys and girls will be bunked in separate parts of the church building. Showers are onsite, but there are no washers/dryers. On Friday we may go hiking, which could be rather muddy. We may also visit some Kansas attractions (bring \$25 plus you school or college ID).
